

Winter Share

Wolf Pine Farm's "winter share" is a box of local, organic food available from November through April. Shares are distributed once every three weeks over 24 weeks – a total of 8 distributions. We work with over 20 different local farmers and producers to help you eat locally all winter long!

Sample Winter Share

A winter share might contain the following foods. (Visit our website for more details.)

potatoes	salad greens	eggs
carrots	cider	bread
beets	apples	rolled oats
parsnips	celery root	wheat flour
turnips	rutabaga	dried beans
onions	winter squash	blueberries
garlic	sweet potatoes	cranberries
leeks	cabbage	"special treat"*

*Last season, **special treats** included Maine sea salt, maple syrup, raw honey, the-best-tempeh-ever, and Maine-grown sunflower oil. Yum!

Winter Share Distribution Options

Winter shares are distributed once **every three weeks** beginning in November. You can choose to come to the farm to pack a share or have one delivered to your neighborhood.

On-Farm Pick-Up: Collect your food at the farm from 12-PM to 6PM on share days. Shop for local, organic milk, eggs, cheese, and baked goods at the farm store. If you live a little farther away, join a "pick-up group" to share the driving! **Cost: \$500**

Group Delivery (5+ shares): We will deliver a minimum of 5 shares to a home, office, church, or school. Host your own group or connect with an existing delivery site near you. **Cost: \$550**

Door-to-Door Delivery: We will deliver right to your door! Deliveries will arrive between 12 PM and 7 PM on your assigned day. **Cost: \$650**

Meat Share

A "meat share" from Wolf Pine Farm is a box of local, organic meats: pork, beef, chicken, and a Thanksgiving turkey.

Affordable, Local, Organic & Unique!

Our meat shares include many products that are nearly impossible to find locally and organically. For those cuts that are available, the meat share costs less than grocery and specialty store prices.

Small Meat Share: *(Ideal if you usually eat meat twice per week or have limited freezer space. Each share will occupy about 1/3 of a typical household freezer.)* Approx. **65 lbs. total** including a 10-18 lb. Thanksgiving turkey. **Cost: \$450**

Large Meat Share: *(The best value if you eat meat more frequently or have extra storage capacity.)* Approx. **105 lbs. total** including a fresh 10-18 lb. Thanksgiving turkey. **Cost: \$700**

Sample Meat Share

Here's what a typical meat share might include. (Visit our website for more details.)

ground pork	bacon	beef roast
pork sausage	fresh ham	ground beef
pork roast	stew beef	whole chicken
pork chops	beef steak	whole turkey*
pork ribs	beef ribs	

*Turkey included in November share only.

Meat Share Distribution Details
